

Teak Mounting Block - V2+

MB-TK-2

For new construction or retrofit installations. Genuine teak, sustainably-sourced. Teak is a natural weatherproof and rot-resistant hardwood. Can be oiled, painted, or left unfinished. Weathers beautifully over time—we have been using teak on our marine products for decades.

- Best for new construction or retrofit
- Naturally weatherproof genuine teak hardwood
- 1" depth

Compatibility	Hydrant V2+
Install Required	Yes
Model	V2+
Material	Teak Hardwood
Dimensions	6.5" x 5.25" x 1"
Warranty	10 Years
SKU	MB-TK-2

Installation

Secure block to wall with fasteners or adhesive. For a minimalist look, adhere the wood block to the wall, then use the hydrant's mounting screws to fasten the entire assembly.

Note: Installation will depend on siding type. On new construction, consider adding head flashing for additional protection.
