O-Ring Material	Fluorocarbon Rubber
Warranty	5 Years
Certifications	ASSE 1019 & CSA B125
SKU	CN-VB2, CN-VB2-BLK

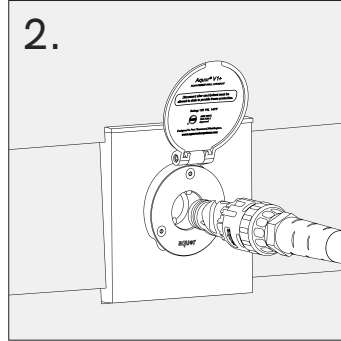

# Wide Grip VB Hose Connector

CN-VB2 -BLK

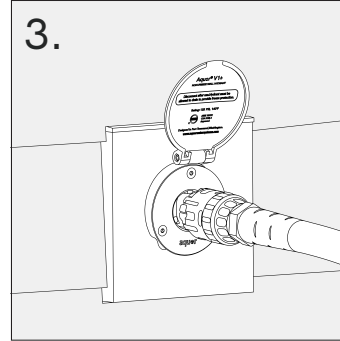

## Connecting to your Aquor Hydrant

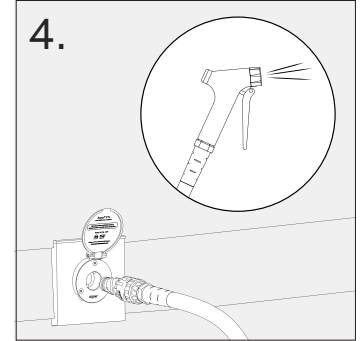

First thread your hose connector onto any hose.

To connect, align the 3 grooves on the connector with the nibs on the hydrant. Gently push in, then twist clockwise.

Once you connect, the valve opens and water flow starts instantly.

Disconnect and depressurize your hose before storing.
